Bathroom Collection

BRASSWARE	4
SHOWERING	14
SANITARYWARE	22
PRODUCT DIRECTORY	34

*Classic in its inspiration,* Waldorf is a truly evocative bathroom collection. Combining exquisite craftsmanship with early twentieth-century style, the new Waldorf range has been designed and produced in Europe to represent the ultimate in bathroom luxury.

Blending classic rectangular lines with elegant softened edges to evoke a high-quality, striking look, the new range of brassware and sanitaryware is suited to both contemporary and traditional bathroom schemes.

# Why visit your local bathroom specialist?

Designing, planning and buying a new bathroom should be a truly enjoyable and ultimately rewarding experience.

At Crosswater we believe that by far the best place to buy your bathroom is at an independent bathroom specialist, why?.....

## 1 Experience & expertise

Specialist bathroom retailers offer a wealth of experience and skill to ensure you receive an impeccable and personal service throughout your bathroom project whatever the size, including help with installation and local tradesman.

## 2 Design consultations

Specialist bathroom retailers can offer knowledgeable assistance with room layout design and technical considerations - most will do this at in the comfort of your own home. Many can provide full 3D design plans so you can visualize your bathroom before its fitted.

## 3 Test drive showroom display products

Browse, touch and test a huge variety of bathroom products in comfortable surroundings, and receive qualified and fully trained advice on each and every aspect of the products - you simply cannot do this online.

## 4 After sales care

Once you have purchased from a bathroom specialist you can get personal and most importantly local after sales support.

Find your local bathroom specialist at [crosswater.co.uk](http://crosswater.co.uk)

### PRICES

This price list supersedes all previous publications with goods being invoiced at prices ruling on date of despatch. Prices are subject to alteration without notice and include VAT.

### DELIVERY

Orders in excess of £50.00 nett invoice value will not be subject to carriage charge and will be delivered within two working days from receipt of order. Orders below £50.00 will be subject to a fixed charge of £5.00.

We will endeavour to deliver all orders on time and in full however we shall be under no liability for any delay or failure to deliver products. Any claim for non-delivery must be reported to the company within 14 working days from the date of delivery, such claims will not be accepted for deliveries to a third party delivery address.

### RETURNED GOODS

Goods may only be returned for credit after receiving written agreement from the company. Cancelled orders will be subject to a fixed charge of 25%. Damaged goods will not be accepted. Goods not required may be returned within 14 days of the purchase date; all returned items must be in the original packaging and will be subject to 25% fixed charge. Special orders are non returnable.

### RETENTION OF TITLE

Ownership of goods shall remain in the Company until full payment has been received for all goods comprised in this contract. If any goods are re-sold before payment is made the Company's right of ownership shall be transferred to the proceeds of sale or to the claim for such proceeds.

### LIABILITY

All quotations are given and goods sold subject to the conditions that the seller's liability is limited to goods proved to have been defective in material or workmanship when they left the sellers works. No claim will be accepted where goods have not been used for the purpose for which they were intended, not fitted correctly, not maintained to the seller's recommended standards or have been abused or misused.

### ERRORS & OMISSIONS

In the interest of continuing design and development and product improvement, Bauhaus reserve the right to change colour, designs and product specifications without prior notice.

### PRODUCT COMPATIBILITY

Whilst the majority of Bauhaus products are compatible, care should be taken on product selection prior to ordering to avoid installation issues. Technical drawings are available on our website or on request.

### GENERAL

The colours and finishes reproduced in this brochure are as accurate as the photography and printing process allows but may vary from the actual colours. Product sizes stated are nominal and should be checked against product. It is strongly advised that all bathrooms are well heated and ventilated.

It is the responsibility of the individual installer to ensure that these products are fitted correctly and in line with the instructions provided. Failure to comply with the recommended fitting instructions will invalidate the guarantee.

### EASY INSTALLATION

Celeste, Design, Elite, Linea, Solo, Stream and Touch wall hung furniture incorporates a factory fitted hanging system that allows safe and simple installation. Some furniture products are reversible for left or right hand door opening.

### INSTALLATIONNOTES

When installing a wall hung pan or wash basin please ensure that appropriate fixings or suitable framework are used. When purchasing a wall hung pan, wash basin or bidet on its own Bauhaus does not supply any fixings. We strongly

recommend all furniture and ceramics be fitted to a tiled surface, not tiled up to, this will assist any future maintenance. Due to the weight of some products you must ensure that the walls to which fixing is to be carried out are of a suitable construction to support the product.

### SUITES AND BASIN CERAMICS

Vitreous China is an extremely hard, non-porous product; but it is also breakable and therefore must not be put under stress during installation. Basin waste fittings if over tightened will create stress within the ceramic material which may in time cause the failure of the product. Waste fittings should be carefully sealed in silicone and the back nut hand tightened, one additional and final quarter turn using a suitable spanner is sufficient to create the required watertight seal. Care should also be taken when fitting brassware to tap platforms in order to prevent similar stress related failures. All products should be inspected before attempting installation..

### CARE AND CLEANING

Bauhaus furniture, ceramic, accessories and radiators are made to the highest standards, by following the simple guidelines below will provide you with many years of enjoyable service.

General:  
NEVER use products containing bleach, caustic soda, cleaners of a gritty or abrasive nature or so called "glass and mirror" cleaning products.

Mirrors, cabinets and light fittings:  
Clean only with a micro fibre cloth, NEVER use "glass and mirror" cleaning products

Sanitary ware, toilet seats and ceramics:  
Sanitary ware/ceramics should be cleaned after use by applying a little cream-type cleaner using a sponge or damp cloth and rinsed thoroughly with clean water. In hard water areas a good quality lime-scale remover can be applied.

Toilet seats should only be cleaned using a diluted mild detergent e.g. washing up liquid or warm non-abrasive soapy water; products containing bleach can lead to staining. Toilet seat hinges should be cleaned ONLY using a moist soft or micro fibre cloth. Any stubborn marks can be removed with diluted mild detergent e.g. washing up liquid.

Towel Warmers:  
Should be cleaned when cold with a moist soft or micro fibre cloth. Any stubborn surface or oxidation marks can be cleaned with Maas® Metal Polishing Crème, that will leave a long-lasting, fingerprint-repelling protective finish.

All Crosswater products should be cleaned with warm soapy water only and polished with a clean, soft, dry cloth.

When installing wall mounted products Crosswater strongly recommend making provisions for an in-wall access point, particularly when tiling, for maintenance purposes.

### PRODUCT GUARANTEE\*

All Bauhaus products unless otherwise stated carry a 15 year guarantee, which covers all manufacturing defaults. This guarantee does not cover damage during fitting or misuse.

- The guarantee is only available to original purchasers who have proof of purchase.
- If the product has been installed, Bauhaus must be given the opportunity to inspect the product in the installed condition.
- If the product is defective in materials or manufacture the original purchaser must contact our Technical Department within 30 days of the fault occurring. If the fault is not resolved the goods should be returned to Bauhaus and at our discretion we will refund the purchase price, repair and return the goods to you or send new goods or parts to you as a replacement, this shall constitute our sole obligation under this guarantee.
- Due to a continuous development program. If in our opinion the product has failed under the terms of the guarantee and a replacement is offered but identical goods are no longer available, Bauhaus will replace it with our nearest equivalent product.
- This guarantee covers normal use; it does not cover faults caused by incorrect installation, wilful damage, neglect,

misuse, modification, inappropriate cleaning, accidental damage and other events outside Bauhaus control.

- The guarantee does not cover any product that has been altered or modified in any way without the prior written consent of Bauhaus.
- If a claim is made under this guarantee, and the defect is not due to faulty materials or manufacture, Bauhaus reserve the right to charge the customer at the current hourly rate in respect of any service engineer time.
- The guarantee is only valid for products purchased, installed and used in the United Kingdom.
- The guarantee does not cover ex-display units.
- The benefit of this guarantee cannot be transferred to a third party.

The guarantee is in addition to and does not affect your statutory rights.

In the interest of continuing design, development and product improvement, Bauhaus reserve the right to change colour, designs and product specifications without prior notice.

\*Bauhaus products carry guarantees against manufacturing defects as follows, sanitary ware, ceramic and cast marble basins 15 years; bathroom furniture, illuminated mirrors, bathroom cabinets and towel warmers 5 years. Cistern fittings and toilet seats 1 year. Consumable items such as light bulbs and tubes also carry a 12 month guarantee against manufacturing defects.

General wear and tear to any of the above items would be considered a specific exclusion.

All Crosswater products, unless otherwise stated, carry a 15 year guarantee which covers all manufacturing defaults. This guarantee does not cover damage during fitting, misuse or inappropriate cleaning or consumable goods. Care should be taken in hard-water areas to ensure the cartridge is regularly cleaned.

\*With the exception of cartridges which carry a 5 year guarantee, and hoses, "o" rings, diverters and shower hoses which are all guaranteed for 1 year.

### PRODUCT COMPATIBILITY

Whilst the majority of Crosswater products are compatible, care should be taken on product selection prior to ordering to avoid installation issues. Technical drawings are available on our website or on request.

### WATER PRESSURE (RECOMMENDATIONS)

LP	minimum 0.2 bar
MP	minimum 0.5 bar
HP1	minimum 1 bar
HP2	minimum 2 bar
HP3	minimum 3 bar
HP4	minimum 4 bar

All products marked LP (Low pressure) and MP (Medium pressure) are also suitable for HP (High pressure) systems.

- 2D** Thermostatic shower valve that offers two independent functions from a single valve.
- 3D** Thermostatic shower valve that offers three independent functions from a single valve.

Designed and produced by In The White Room
